Save the Date for a Special Presentation on Waldenstrom's Macroglobulinemia

Dr. Steven Treon, from the Dana-Farber Cancer Institute, is coming to Sarasota! Dr. Treon will be sharing an update on the current advances in clinical and laboratory research from the Bing Center for Waldenstrom's Macroglobulinemia.

Sarasota Medical Center
Doctors Hospital Auditorium
5741 Bee Ridge Road
Sarasota, Florida 34233

Dr. Luis Chu, of Florida Cancer Specialists & Research Institute, Sarasota, will also be available for questions.

There is no cost to attend, but pre-registration is required. Please contact: Anna May Jacobsen annamayj39@gmail.com or call the IWMF Business Office at 941-927-4963. Beverages and light refreshments will be provided, and parking is free.

I hope you will take advantage of the opportunity to hear from Dr. Treon and enjoy some informal networking with other WMers. Please call the IWMF office or email Anna May Jacobsen to let us know you plan to attend this Saturday morning program.

Directions from I-75: Exit #207 Bee Ridge Road, and proceed west past the first traffic light (Cattlemen Road). Turn right into Doctors Hospital Entrance and follow signs for Medical Center. The Auditorium will be on your left, adjacent to the Emergency Drop Off.

Best wishes for the holiday season, and we look forward to seeing you....
